

USBC Rule Changes for the 2022-2023 Season

The USBC Board has rescinded the changes made to USBC rules in 2019-2020 which were instituted in response to the COVID pandemic. **Effective Aug. 1, 2022**, the following rule changes will be in effect:

Rule 18 – Bowlers will no longer be allowed to use isopropyl alcohol to clean a bowling ball once the competition has started.

Rules 113a and 113b – The use of two lanes immediately adjoining each other will again be required to be used for league competition.

Rules 320a and 320b - The use of two lanes immediately adjoining each other will again be required to be used for tournament competition.

We are so thankful for associations, centers and leagues adopting the changes needed to be able to successfully have members enjoy the sport through the last two seasons.
